Email: uzorpromiseokwudiri@gmail.com | Phone: +233542838165 | Location: Accra, Ghana |

Portfolio: <https://upovibe.vercel.app/>

SUMMARY

A results-driven Full Stack Developer passionate about building impactful web applications and crafting seamless user experiences. Proficient in modern development tools and methodologies with a strong background in front-end and back-end systems. A collaborative team player with a focus on **innovation, performance optimization, and security-first development.**

Core Competencies:

- **Full Stack Development | RESTful API Design | Agile Development**
 - **Responsive Web Design | Cloud Computing | Code Optimization**
 - **Penetration Testing | Collaboration & Communication | Version Control (Git)**
-

EXPERIENCE

Front End Developer

Real Estate Project | *Aug 2022 – Nov 2022*

- **Developed a dynamic, user-centric real estate web application** as part of a high-impact final year project, improving property search functionality and user accessibility.
- Collaborated with cross-functional teams to implement clean, efficient **HTML, CSS, and JavaScript** code.
- Optimized web performance and UI components to achieve **seamless user experiences** across devices.
- Utilized **Git** for version control, ensuring consistent deployment and team collaboration.

Full Stack Software Developer

BlackinTech | *Aug 2023 – Mar 2023*

- **Engineered and deployed RESTful APIs** to improve data connectivity and scalability, enhancing back-end functionality.
- Led the design and implementation of responsive, interactive UIs using **React, HTML, and CSS** to meet user needs.
- Actively participated in **Agile processes** (sprint planning, daily stand-ups, retrospectives), fostering iterative development and team synergy.
- Designed cloud-based applications using **AWS**, ensuring optimized performance, scalability, and deployment efficiency.

- Implemented robust **penetration testing** strategies to secure applications against vulnerabilities.
 - Collaborated with designers and backend developers to deliver seamless full-stack solutions on schedule.
-

EDUCATION

Bachelor of Science: Information Technology

AAMUSTED | 2018 – 2022

Specialization: Artificial Intelligence, Data Structures, Networking, and Programming.

Full Stack Software Development Certification

Codetrain | 2023 – Present

PROJECTS & PORTFOLIO

BlackInTech – Full-Stack Job Search Web Application

- Successfully showcased the **BlackInTech** platform to a large audience, highlighting its role in connecting job seekers to tech opportunities.
- Designed intuitive UIs, implemented efficient search features, and ensured **real-time data integration** using MERN stack.
- Live Demo & Code

Portfolio Website

- Built a professional, interactive portfolio showcasing projects and development expertise.
 - Technologies: **Next.js, MongoDB, Prisma, Lottie, Motion.**
 - Visit Portfolio
-

SKILLS & TOOLS

- **Languages:** JavaScript (ES6+), HTML5, CSS3, SQL
 - **Frameworks/Libraries:** React.js, Node.js, Next.js
 - **Tools:** Git, AWS, MongoDB, Prisma, Cloudinary, Lottie, Figma
 - **Concepts:** Agile Development, RESTful APIs, Cloud Deployment, Responsive Design, Penetration Testing
 - **Soft Skills:** Team Collaboration, Communication, Problem-Solving, Leadership
-

ACCOMPLISHMENTS

- **Selected to Demo** the *BlackInTech* project to a **large audience**, showcasing its impact on the job-tech market.
 - **Hackathon Judge & Mentor**: Provided guidance and technical mentorship at multiple hackathons and workshops.
 - **Tech Blogger**: Authored insightful articles on **coding best practices** and **industry trends** to share knowledge with the developer community.
-

ACTIVITIES & LEADERSHIP

- **Open Source Contributor**: Actively contributed to open-source projects, fostering community growth and collaboration.
 - **Project Showcase Organizer**: Coordinated peer and industry-level presentations to demonstrate software solutions.
 - **Freelance Developer**: Designed and deployed functional, responsive websites for small businesses.
 - **Team Leader**: Led cross-functional teams during university projects, ensuring timely and high-quality deliverables.
 - **Coding Enthusiast**: Regular participant in coding challenges on **LeetCode**, **HackerRank**, and **Codility**, sharpening problem-solving skills.
-

CERTIFICATIONS

- **Full Stack Web Development Certification** | *Codetrain* (2023 – Present)*
 - **Bachelor's Degree in Information Technology** | *AAMUSTED* (2018 – 2022)*
-
